About Us

Grassroots Garden Group believes that a community is not unlike a garden-- you get out of it what you put into it. With a bit of time, energy, and dedication they can both thrive, and the rewards are well worth the effort. Westchester is a beautiful village full of wonderful people. We are proud to do our part in keeping it beautiful and helping our neighbors in need. The satisfaction that comes with gardening is only amplified when paired with community service, and nothing brings us more joy than the satisfaction of helping others. Let's bloom together!

About our Annual Westchester Garden Walk

WESTCHESTER
FOOD PANTRY

Our annual Westchester Garden Walk is more than a means to show off our beautiful village; it is yet another way that Grassroots Garden Group is able to support the work of the Westchester Food Pantry. Run entirely by volunteers, the pantry serves hundreds of local food insecure households every month. By donating the proceeds of this event, as well as our other fundraising endeavors, directly to the Westchester Food Pantry, we have been able to contribute over \$14,500 in the last 5 years.

COMMUNITIES SERVED

- Bellwood
- Berkeley
- Broadview
- Hillside
- Hines
- La Grange Park
- Westchester
- Western Springs

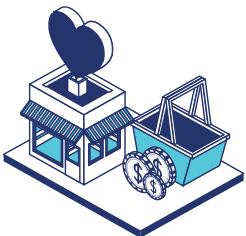

VULNERABLE CLIENTS

- Over 50% of households served in 2020 had a senior family member
- Over 40% of the households served in 2020 had children

IN 2021, THE WFP

How Local Restaurants Can Help

Restaurants understand better than most that food is more than a physical necessity; it is an emotional necessity. Food is used to show love, encourage trust and friendship, and create traditions. By supporting this annual community event, you will be directly impacting the wellbeing of your neighbors in need.

A sponsorship contribution of just \$50 will give the Westchester Food Pantry approximately \$450 of buying power through the Greater Chicago Food Depository.
